THE SHORT VERSION

BUSTED 2 BANGIN

Busted 2 Bangin is the Scottsdale interiors studio and decor shop of Eric Jimenez and Garrett Loomis – partners in life and design who went from flipping their own houses to transforming Arizona's boldest ones. Launched in 2020 with a candle collection that sold out in under 24 hours, B2B is now a full design studio, a retail flagship on North Scottsdale Road, and a signature look best described as moody glam: layered neutrals, noir paneling, unapologetic drama.
